Make a tutorial

Make a tutorial on how to make amandala.

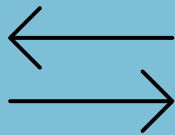

Make a tutorial

Make a tutorial on how to do Staphorster Stipwerk

Make a recording

While trying to create the traditional art form, record the children working.

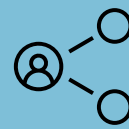

Exchange the recordings

Share the recordings with the children so they see each other working.

Excellent PR

The recording is excellent PR for the school and the internationalisation.

Share your work with other classes

Internationalisation is often regarded as something nice on the side. Not as learning. Proof the critics wrong.
